

Dress Code

It is expected that members choose to dress in a fashion befitting the surroundings and atmosphere provided in the setting of Branton Woods Golf Club. A shirt with a collar must or a mock turtleneck be worn, non-denim shorts must be at least mid-thigh in length, and non-metal spike golf shoes are required. Cargo shorts will not be permitted on the golf course or in the clubhouse. Hats must be worn forward at all times.

Walking Policy

Walking the golf course is permitted at anytime (*except weekend and holiday mornings before noon*).

Golf Cart Policy

Golf carts may be taken at any time. Please be sure to observe the 90-degree rule and all cart signs unless otherwise indicated. All par threes are Cart-Path only at all times.

Speed of Play Policy

It is the goal of all players to complete their round in less than four hours and ten minutes. This amount of time is more than adequate, provided all players remain aware of the rights of others to play without delay. It is the responsibility of each group to keep pace with the group ahead. If a group falls one complete hole behind the group ahead, the group should allow the following group to play through. It is each group's responsibility to be observant of its position on the course and keep pace. The player assistant has the authority to keep play moving at the proper pace for all players' enjoyment. Players unable to keep proper pace may be requested to skip holes in order to resume proper position on the course. If a player is repeatedly warned for slow play, the Club may take such action as it deems appropriate, including without limitation, restricting the person's use of the golf course during certain times of the day.

Cell Phone Policy

Cell phones must be on “vibrate” at all times. Cell phone use is permitted on the golf course as long as the pace of play is not negatively affected. Please be courteous to your fellow golfers and speak quietly. Cell phone use is permitted in the Pub, Locker Rooms and Foyer of the clubhouse only.

Driving Range Access

The practice range opens fifteen minutes prior to the first tee time and closes at 6:00 p.m. The driving range is a dual ended range; designated hitting area will rotate from the North end to the South end during the week.

Locker Room Access

Before September, there will be guest lockers available. Please see our Locker Room Attendant in the Golf Shop for a key. Also, complimentary shoe service is available Wednesday-Sunday. Please leave your shoes with our Locker Room Attendant.

After September, we will commence our Locker Room renovation, which will last through April 2009. Lockers and showers may not be available from time to time as our renovation progresses. We are excited about adding another great amenity to match our outstanding golf course!

Directions

Directions from Westchester County:
